

ELLERSLIE AFC – Senior Team Fee

In 2018 the seniors will for the first time officially offer a team fee – this is off the back of a successful trial with two club teams in the 2017 season. A Team fee will be our preferred method but we understand there will be the need to grandfather this approach in over the next couple of seasons.

The Team Fee makes fee collection and team management easier for both the club and the team manager – allowing the team manager greater flexibility in terms of building a squad for the season, by being able to offer whatever types of rates work best for his or her's team.

Team Fee Details:

FULL TEAM FEE: \$4800 is the full team fee, and can be paid in amounts of \$600 blocks but must be all paid off by start of season or team will not be able to play.

EARLYBIRD TEAM FEE: \$4200 which is a \$600 discount from the full fee. This fee will only be available to teams who pay in one lump sum and before the 26th of March.

Things to note with the team fee:

- Players are still required to be registered in clubhub, and will still be subject to transfer and registration windows – if your player doesn't appear in your team list on clubhub then he/she is not eligible to play.
- There are no refunds available for players – if a player has paid you a contribution to your team fee and then stops playing, it's up to you as team manager to decide what you wish to do – vice versa if you wish to privately collect fee's from casual or fill in players then that's fine.
- Yellow cards/red cards are still payable by individual players and will be charged to the players account in clubhub.

Payments will be able to be made via credit card on clubhub or by bank transfer.

All team fee's need to be individually setup between myself and the team manager.

If you have any questions please don't hesitate to ask.

Cheers
