

## FAQ's

**Q. What is the level of this tournament?**

A. We have pitched this tournament at the highest level of U11 players in the country similar to the Three Kings and Norwest tournaments.

**Q. How many games will we play, what is the format?**

A. This will largely depend on the number of entries – our preference is for a 24 team boys comp, and a 12 team girls comp – we will release more information about this once we have a better idea of the number of entries

**Q. What size fields and what type of fields will the tournament be played on?**

A. We will be playing on half fields with the same game format rules as AFF U11 grade football – there will be 6 grass fields and 2 turf fields, and the draw will be made in such a way that teams will have games on both types of surface.

**Q. Will referees be supplied?**

A. Every game will have a referee with a minimum qualification of “Community Referee” (the old CBR qualification) with teams providing 1 Assistant Referee each to run a line.

**Q. Will there be player awards?**

A. At Ellerslie we value teamwork and fair play as core values so we will have a Team Fairplay award and a Sportsmanship award for both the boys and the girls tournaments. Winners and runners up will also each get medals.

**Q. Is there space at Michaels Ave for a marquee or tent to base our team(s) in?**

A. There will be space for some tents or marquees onsite – preference will be given to Clubs who have multiple teams in the tournament but we hope to be able to meet everyone’s requirements, and we are looking to have a security guard onsite Saturday night.

**Q. What is the maximum squad size?**

A. We will have a maximum squad size of 13 – more information to follow regarding these kind of questions in our full regulations.
