

SENIOR DIVISION
46 Michaels Ave
PO Box 11-328
Ellerslie, Auckland

Hi Ellerslie AFC Club Member,

You may not be aware but we are constantly under the microscope from neighbours at Michaels Ave - some of them are on our side though and support having organised sport on their doorsteps.

So it's important we don't alienate any of these neighbours.

What we are asking of our club members is to be mindful of the following:

- Please watch the volume of your voice while training - especially if you are using colourful language
- When leaving after training please drive carefully and don't use your horn to say goodbye to your teammates
- Refrain from conversations across the car park if you can
- Just in general please be aware that our Neighbours have to deal with people at Michaels Ave every day of the week - a little effort from you on the 1 or 2 days your down there can make a big difference.

Just as a reminder, below are our resource consent restrictions at Michaels Ave:

- Monday Night - no lights/training after 7pm
- Tuesday to Saturday - no lights/training/games after 9pm
- Sunday Night - no lights/training/games after 5pm
- No amplified noise at any time - no wireless speakers, no megaphones etc etc
- After dark the entire reserve is a liquor banned area
- Speed limit within the Reserve is 15kph - please be mindful at all times of pedestrians.

If you have any questions please don't hesitate to contact the club

Cheers

Tim Adams

Communications Manager – Ellerslie AFC
