To our Members,

Re: Change to New Zealand Football Inc. Terms and Conditions of Membership

For a number of years, New Zealand Football (“NZF”) have operated a membership database system called Goalnet. Many Clubs within New Zealand utilize this system, but a number of the larger Clubs, including Ellerslie, have utilized an alternative system called Clubhub, for functionality reasons.

Notwithstanding this situation, Ellerslie AFC is required, under the Rules and Regulations of NZF, to pass its database information onto NZF for the purposes of the administration and promotion of the game of football.

When you have previously registered at Ellerslie, one of the options presented to you was to “opt in” to the receipt of electronic messages emanating from Auckland Football Federation, or its parent body, NZF.

In acknowledgement of the Privacy Act, we wish to advise our membership of a change in how that personal information is now being administered by NZF. All Football Clubs in NZ have been advised that under recent changes made to NZF’s Rules and Regulations, by registering with any Club, your personal information can now be utilized by NZF for the sending of electronic messages relating to football matters. In the future, if you do not wish to receive such a message(s), there will be the ability to “opt out” by way of an unsubscribe option. A copy of these new Rules can be viewed [here](#).

As a consequence, and to align ourselves with these new Rules, Ellerslie will be making the appropriate amendments to its Clubhub and Manual Registration systems in time for the 2017 season.

If you have any queries with regard to these changes, please phone Tobi Agbede at NZF on 09 414 0175.

In the meantime, best wishes for the upcoming season.

Kind regards

Mark B. Weipers

President

Ellerslie Assoc. Football Club Inc.
