

PROUD TIMES FOR ELLERSLIE FOOTBALL

With a draw resulting from our promotion rival's game last weekend, our NRFL Men's Division 1 team has gained a well earned promotion to the Lotto NRFL Men's Premier League for 2013, the pinnacle of football in this region.

Congratulations to Warren Parke (Head Coach) his assistant Paul Hooper, the boys and management team for an awesome effort.

This is indeed a vindication of the Club's policy to develop our youth, and to create pathways through which our younger members can experience top class football. In an age, and sporting code, where loyalty can often come into question, this result is also tangible recognition of our values ; values that this Club will continue to encourage.

And what a great message to send to the likes of our younger teams, many of whom have enjoyed success this year. Our community can now reflect on the fact that a pathway does exist at this Club, and we all look forward to encouraging our members to be the best they can be, in the years ahead.

The Premier Men's side has lifted the bar, and now the rest of us, in whatever capacity, have the opportunity to follow.

Let's all get on board and go for the ride.

Mark Weipers
President
