

ELLERSLIE AFC – 2023 Senior Team Fee

The Team Fee makes fee collection and team management easier for both the club and the team manager – allowing the team manager greater flexibility in terms of building a squad for the season, by being able to offer whatever types of rates work best for his or her team.

Team fee works best when the Team Manager takes responsibility for the team's fees and essentially takes on the role of banker for his or her team. If you don't have someone (or a group of people) willing to take on this responsibility, we recommend you don't take up the team fee option.

Team Fee Details:

FULL TEAM FEE: **\$5,350** is the full team fee, however in 2023 we will be offering a discount down to **\$4,815** if paid before the due date of May 1st 2023.

TEAM FEE COMMITMENTS

- Players are still required to be registered in Friendly Manager and will still be subject to transfer and registration windows – if your player doesn't appear in your team list on Friendly Manager and in the Team catalogue on Comet, then he/she is not eligible to play.
- The above Team Fee amount is for your team to enter a team with the club.
 - o All players will be charged a base fee of \$25 to cover the NZF levy. This charge will be loaded onto the players account once entered into your team.
- There are no refunds available for players – if a player has paid you a contribution to your team fee and then stops playing, it's up to you as the Team Manager to decide what you wish to do – vice versa if you wish to privately collect fees from casual or fill in players then those funds go into your team fund, not to the club.
- Yellow cards/red cards are still payable by individual players and will be charged to the player's account in Friendly Manager.

For a team to access "Team Fee", the team manager must contact the Chairman (Tim Adams) and acknowledge the above commitments – at that point a deposit (of \$1,000) will be loaded on the managers account on Friendly Manager and will need to be paid by 31st March 2023.

Payments will be able to be made via credit card through Friendly Manager or by bank transfer direct to the club's bank account – ASB 12-3060-0187771-01.

If you have any questions, please don't hesitate to ask.
