

# TRIALS INFORMATION PACK

2023

## Ellerslie AFC 2023 Trials - General Information

To attend the trial sessions, please make sure you have registered for the 2023 Season.

As a reminder to you, and as a message to those of you who have not registered yet and who are intending to play for Ellerslie AFC this year, trials for the 2023 Season are commencing on Thursday 9<sup>th</sup> February.

Please see the Ellerslie AFC website [trials page](#) for further information about the trials and for those who have not registered yet, see your specific grade [registration information page](#) for details of how to register for 2023.

All players (boys/mixed) who will be in the Under 9 (U9) competition for 2023 (born in 2014) should attend trials if you are keen to be placed in one of the top three teams that competes in the Northern Region Football leagues. Being placed in one of these teams requires travel to other clubs to play opposition teams. All other U9 players who want to be placed in Tamaki League mixed teams and continue to play with their friends at Michaels Avenue Reserve, do not need to attend trials.

Everyone older than U9 should also attend the correct age group trial if they want to be placed in one of the top graded teams at the club. (Preferably both trials if they are scheduled for their age group).

Please trial with the group for your correct year of birth, even if you played in a different age group for the 2022 season.

Only girls who wish to play in mixed teams should attend the boys/mixed trials for their age group. **Separate trials have been scheduled for those girls wishing to play in girls only teams.**

Remember that attendance at the trials does not constitute registration and you will still need to register online before the registration (and early bird discount) deadline date of **Friday 17<sup>th</sup> March 2023**, in order to be included in a team.

Registrations after the deadline date will only be accepted if there is space in a team for the appropriate age grade.

A separate reminder will be sent to everyone before the first trial date of your appropriate age group.

The trial process will be run the same way at both trials. Players should arrive at least 15 minutes before the trial starts to check in and receive a numbered bib from the trial registration desk. Once they have received their bib, they should head out onto the field to warm up. The trial will be a combination of small-sided games and some larger format games depending on the age group. There will be several assessors on hand who will be grading players on their footballing ability. The assessors will be looking for passing, first touch, dribbling, defending, vision/awareness, turning, shooting and game understanding from the players and scoring based on that criteria.

Some grades may have additional trials after the ones listed for each age group to further help determine the top teams in the age group.

Players wishing to play goalkeeper can come to the trials but should note with the trial registration

desk that they wish to play goalkeeper and there will be two goalkeeping trials for those players wishing to try for a goalkeeping spot within a top graded team.

Players should bring appropriate footwear for the artificial turf, water bottle, and shin pads to all trials. They do not need to bring a football as the club will have plenty.

All trial dates can be found below.

We look forward to seeing you there!

**FEBRUARY (all trials at Michaels Ave #1 apart from U17 which is held at Ngahue Reserve)**
