

# **MICHAELS AVE RESERVE ARTIFICIAL TURF FIELD RULES**

## **Personnel**

- Only Referees, Players and Coaching staff are allowed on the main field or training area. Spectators must stand behind the gates and/or fencing, or use park seating behind the fences.

## **Footwear:**

- No muddy or dirty footwear is permitted. Boots/footwear must be clean prior to taking the main field or training area.
- Plastic screw in studs, plastic moulded stud soles, turf or touch shoes are the only footwear permitted on the main field or training area. Metal sprigs (long or short stud) and flat soled sandals are banned.

## **Food/Drink**

- No chewing gum, food or sweets.
- Apart from water, no liquids are permitted on the playing surfaces. Water must be in plastic containers – no glass, tin or ceramic containers are permitted to be carried onto the main field or training area.
- No Spitting allowed on the main field or on the training area.

## **Smoking**

- Is banned from the main field, training area, and any footpath surrounding the main field and training area.

## **Alcohol**

- No alcohol is to be consumed on the sidelines, or on the main field or training area.

## **Rubbish**

- Please be a tidy Kiwi and take your rubbish with you, or use the bins provided.

## **Animals**

- No animals are permitted on the main playing surface or training area.

## **Use of Fields**

- Outside allocated training times, no members or teams can use the fields unless booked through the Club or Auckland Council.

The protection and prolonging of the life of this artificial turf is very important. Club personnel or security guards will be on hand to ensure that the above rules are adhered to in order to maintain Supplier Warranties ( for the benefit of all ).
