Financial Support

In common with most community-based sporting organisations, the demand for and desire to, improve services to our members is often constrained by funding shortfalls. There is continual pressure to maintain an appropriate balance between reasonable subscriptions and fees and providing more and improved quality services for members.

In the past three years, the club has committed to improving our operational support for teams, including having a between a few staff members a full time position.

We urge all members to financially support these initiatives by:

- **Paying subscriptions in full and on time**
- **Adding a donation at registration time if able**
- **New Clubrooms Funding Appeal - [Further information](#)**
- **Becoming a Club Sponsor and partnering with Ellerslie AFC - [Contact Us](#) to discuss**
