

Ellerslie AFC Inc - Making Payments to the Club

The Club offers members several ways of making payments for amounts owing as follows:

1. **Online by Visa or MasterCard** – Preferred Option – Only available while season remains open.

The club operates the Friendly Manager database system which supports online payments by Visa or Mastercard. To use this facility you need to:

- a. Login to your Friendly Manager dashboard by selecting the “Login” button from the home page on our website at www.ellersliefootball.org.nz
- b. If you cannot recall your username or password use the “Forgot password” option on the home screen of our website
- c. **Note**, this Login is separate to your Club Hub login. If visiting the new website for the first time please create a new login.
- d. Once logged in select “Tasks” from the top menu bar, then select “Make a Payment”
- e. Follow the on screen instructions.

NOTE: This method requires you to pay the total owed for at least one outstanding item. Preferably you will pay the entire balance due.

2. By Bank Transfer

The Club’s bank account details are:

Ellerslie AFC Incorporated
ASB Bank
Ellerslie
Account Number 12-3060-0187771-01

Please make sure to include the surname and initials of the member you are paying for in the reference fields of the transaction so we can credit your account correctly.

3. By Cheque

With all major banks having discontinued the use of cheques as a valid means of payment, the Club can no longer accept payment in that form.

4. Cash Payment

Cash payments are discouraged. If you wish to make a payment and cannot pay in any other way please email us at registrations@ellersliefootball.org.nz and we will contact you to make arrangements to be available at the Club office to receive your payment, and issue a receipt.
