MICHAELS AVE COMMUNITY CENTRE DONATION PORTAL

We have plans for some more exciting features in the MACC building for the public to use - but we are running short of money, so if you are able please consider making a donation for a "supporters brick" which will be displayed in our main foyer - the funds raised by these donations will cover the following projects.

We aim to create a kids' play space, add more TVs for sports fans and community users, install artworks which celebrate Ellerslie and provide outdoor furniture to enjoy the deck views from.
