### **CARPARKING AT MICHAELS AVE**

Just a quick reminder that there are no circumstances in which you can park your car on yellow lines, all of the yellow lined areas in the Carpark are there to enable easy access in and out of the park for cars, or for emergency vehicle access. The number of cars parked across yellow lines has increased lately and we are asking members to please try and park in a normal carpark, on the street or at Liston Park and take a short stroll to Michaels Ave.

Thanks for your understanding and support with this.
