Michaels Ave – Playground & Path Renewal

Developed Design and Play Equipment

RENEWAL OF PLAYGROUND AND PEDESTRIAN ACCESS

The council along with their contractor have started work on the renewal of the playground, this means that area will be fenced off until possibly early Feb while work is carried out.

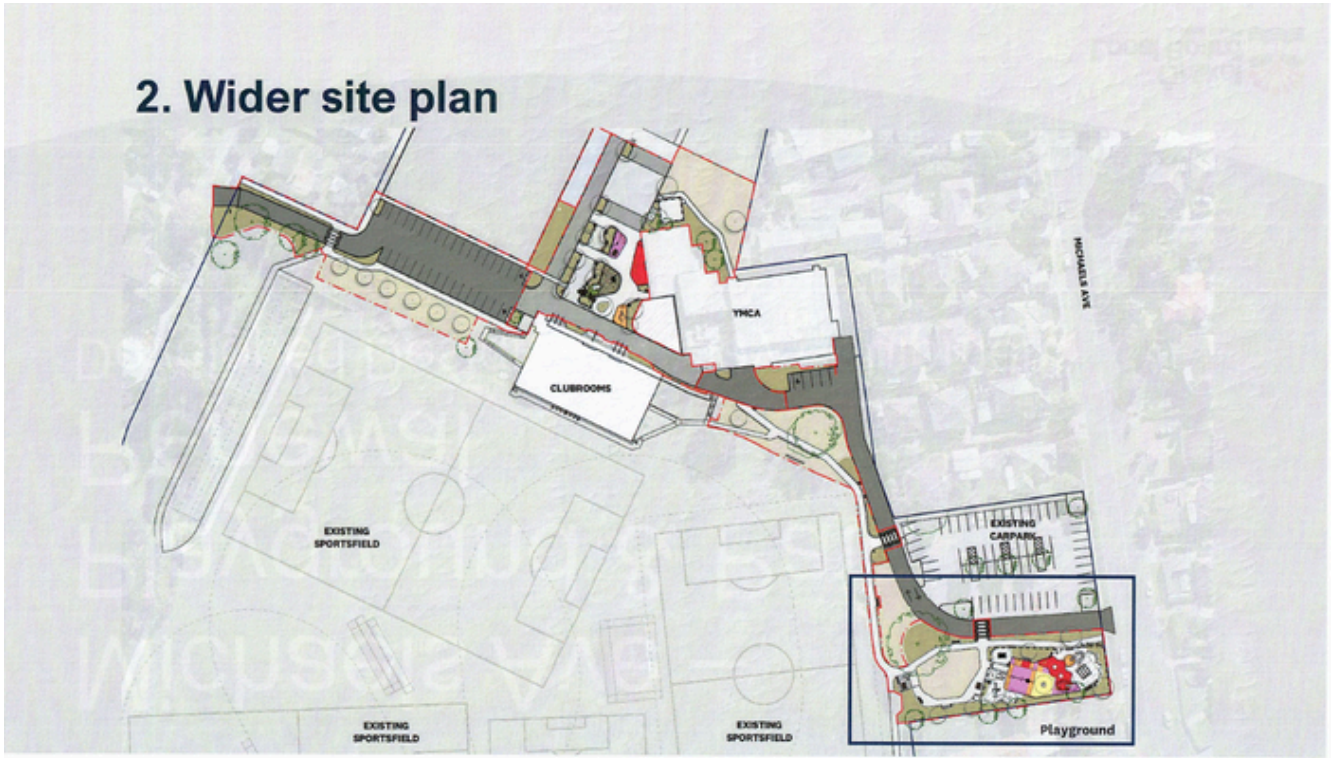

The work also includes making a path up from the playground to both the lower and upper levels of the Michaels Ave Community Centre - as well as two crossings between the carpark and the playground and fields.

Out of scope for this work will be:

- The reworking of the parking up by the YMCA
- The playground for the younger kids up by the turf
- The extension of the training turf

These projects will be planned for the future as per the below overall plan.

U19 NATIONALS

Another great weekend in Napier for the Boys and Girls teams - the boys team didn't get out of their group but they recorded a first Napier U19's win against finalists Birkenhead and pushed all their opposition teams hard.

The Girls had a great tournament topping their group without conceding a goal and then took finalists Fencibles to a penalty shootout after a 0-0 draw. While the spotkicks didn't go our way we were proud of the efforts of the team.

Special shoutout to Kelsea King who became the first GK to not concede a single goal in the tournament

OFC/NZF A Licence - RYAN SHIFFMAN

Congrats to our Director of Coaching/Womens First Team Coach Ryan Shiffman who has recently been awarded his OFC/NZF A Licence.

It's amazing to have one of our own with this licence, with only the pro diploma ranking above this one.
