PARKING REMINDER

Just a quick reminder to all members that while we know parking at Michaels Ave can be frustrating at peak times that we all refrain from parking on yellow lines, no matter how much you might feel it "won't bother anyone". We recommend at peak times that members avoid the Elwood Place carpark and instead try the Michaels Ave carpark or park on the street and take one of the pedestrian entries to the park.

It's particularly important members don't get into the habit of using the disabled parks as a waiting zone - this is not acceptable and club staff will be advising people parked or waiting in these spots to move on.

The club are proud of players who have spent some time here who have gone on to represent themselves on an international or national stage, at the start of each season we like to spend some time to reflect on the achievements of those players and look around and see who is the next player who will be added to this list!
