INCIDENT & INJURY REPORTING

Not all our messages can be sunshine and rainbows - we know in the world of sport sometimes things go wrong, but when they do we want to make it as easy as possible for our members to report these incidents - which helps us make sure we can manage them as best we can.

So for 2025 we have put an incident reporting form on our website - this form can be filled out anonymously as well if needed - check out below to see where you can find the report and how to use it.

SUBMIT AN INCIDENT REPORT

On our website under Club Information.

This form can be used to advise any type of incident, be it injury, a flooded pitch or a major incident or notifiable event.

(you can click on the image to open the report)

the club will use the information in the incident report to take appropriate action, which may include escalating the incident to NRF. If you wish to follow up on any incidents reported you can contact the club on chairman@ellersliefootball.org.nz

Serious Misconducts and Incident Escalation Process

Following on from the above point - NRF have launched a new refresh of their Serious Misconduct and Incident Escalation process - please take the time to read the following letter from NRF on this important topic by clicking on the image.
